

BOY SCOUTS,
GOSCHEN BUILDINGS,
HENRIETTA STREET,
LONDON, W.C.

Dear Thompson Seton

You will infer from above address
that we are going on with my scheme like
your "Woodcraft Indians". - And it promises
well. I hope that you will allow me
to make frequent mention of yourself as your
Tribes as examples to the Scouts.

When you come over to England I
hope you will send me a line or look in.

here & have a chat. In fact I want
to hear many things from you, I should
like to get you to come & dine & meet
some of my friends.

~~I am going to return again in Exeter~~

let me know if I can be of any use with
introductions to people at various places.

And if you can in your lectures give a good
word for the Boy Scouts Scheme - it would,
coming from you, be a most valuable help
in spreading it.

With kindest regards

Yours sincerely
P. D. A. S. P. O. V. E. L. L. Y.
