Training School,
Springfield, Mass.

Dear Sir:-

In response to your official note of April 10th informing us of a special meeting of the Board of Trustees of the school on Friday afternoon April 17th, at 5 o'clock, in Springfield, we regret that our engagements are such that we cannot possibly attend, but desire to say that we believe,

First, the Athletic Grounds should be fitted up without delay;

Second, that we are in favor of the erection of the school buildings on the new property purchased for the Athletic Grounds;

Third, that it will be desirable to appoint a Building Committee.

We hope that one of the trustees living nearer Springfield may be able to come, and complete your quorum.

We are

Very truly yours,
